## Affordable Level Sensors

**Fuels**  
**Lubricants**  
**Water**  
**Chemicals (including AdBlue)**  
**Animal Feed**  
**Fertiliser**

Easy to install, flexible & robust. These level sensors suit a wide range of applications, offering long term stability and great accuracy at affordable prices. They work perfectly with our Metron2 telemetry device for remote tank level and river monitoring.

Parameter	Details
Range	3, 5 or 10 metres (of water. Others on request)
Output	4-20mA
Power supply	12 to 30 Vdc
Temperature range	-40 to +85 deg C
Accuracy	± 0.5% full scale
Wetted parts	304 Stainless Steel. PUR cable. (others on request)
Process Connection	Submersed into tank (other options on request)

#### Connections:

<b>Red</b>	Supply + ve (12 to 30 Vdc)
<b>Blue</b>	Signal
<b>Yellow</b>	Screen

Part Number	Description
SPS-3/5-SS-PUR	3m range / 5m cable
SPS-5/10-SS-PUR	5m range / 10m cable
SPS-10/15-SS-PUR	10m range / 15m cable
